ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

Overview

Since the passage of the National Housing Act in 1934, nothing has had greater impact on the administrative functions of HUD and the Public Housing Agencies (PHAs) than the passage of the October 21, 1998 **Quality Housing and Work Responsibility Act of 1998 (1998 Act)**. The 1998 Act, which was attached to the FFY-1999 Appropriations Bill, dramatically and permanently amends the laws governing the administration of the public housing and the Section 8 Programs.

The focus of the 2020 Management Reform Plan is to prepare HUD to move into the 21st Century as a modernized and revitalized Department with restored public trust and adequate performance-based systems for its programs, operations and employees. Likewise, through the implementation of the 1998 Act, PHA's are required to assess management and operational practices and develop a plan that will ensure that the PHA's meet established goals and objectives. That Agency Plan is a combined Five-Year Plan and the Annual Plan.

Admittedly, changes must be made by HUD to streamline its most important functions and to increase efficiency within the Department. Reducing more than 300 programs and activities into 71 functional areas will not be an easy task. The transition of PHA's in adapting to the 2020 Management Reforms and complying with the requirements of the 1998 Act will also be significant.

For example, the 2020 Management Reform Plan will require that PHA's become more technically independent and more accountable for program integrity. The 1998 legislation, among other things, promotes such initiatives as reduction of rent subsidies; deregulation for high performing PHA's; fewer reporting requirements; merging the Section 8 Certificate and Voucher Programs; conversion of competitive grant programs to formula funding, etc.

This Agency Plan, specifically the Five-Year Plan, clearly defines the mission, goals and objectives of the Housing Authority of the City of Glenwood (also referred to as the Glenwood Housing Authority, Authority, and/or PHA). The Annual Plan establishes the direction this Authority will take in reaching the goals and objectives of the Authority for the next fiscal year.

Purpose and Structure of the Agency Plan

The purpose of the Agency Plan is to empower and equip the PHA to exercise optimum flexibility in meeting local housing needs within the community while meeting its own needs. The Agency Plan contains a *FY-2003-FY-2007 Five-Year Plan* that includes the Authority's mission and long range goals and objectives.

The *FY-2003 Annual Plan* addresses the Authority's immediate operations, current policies, program participants, programs and services, and the PHA's strategy for handling operational concerns, resident concerns and needs, and programs and services for the upcoming fiscal year.

The Agency Plan outlines the PHA's efforts in meeting the needs of the very-low, low, and moderate-income population in its community as well as serves as a management, operational and accountability tool for the PHA.

Preliminary planning sessions were conducted with the Authority's residents, Resident Advisory Board, community leaders and organizations, and State and local authorities during the development of the Agency Plan to ensure that the needs of the residents and community are addressed in the Agency Plan. The Agency Plan is consistent with the Wheeler County Consolidated Plan.

1. Summary of Policy or Program Changes for the Upcoming Year

The Housing Authority will enforce its policy to provide for deconcentration of poverty and encourage income mixing by bringing in higher income families into lower income developments and lower income families into higher income developments. C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Substantial deviations are defined as discretionary in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners or as may be required by HUD.

B. Significant Amendment or Modification to the Annual Plan:

Significant amendments or modifications are defined as discretionary in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners or as may be required by HUD.

The Glenwood Housing Authority has reviewed their goals and objectives for the previous year and has concluded that they are on schedule with the five-year plan. We are renovating units as planned. We encourage our residents to plant flowers and keep their yards clean. We are landscaping as planned by removing tree roots and replanting flowering trees and seasonal flowers. We also have an agreement with DFCS for all TANF families and we are working with them to help those families as needed on our part.
